

Sovereign Stain Blocking Primer

Sovereign Stain Blocking Primer is water-based acrylic coating used to mask unsightly stains and prevent bleeding of wood tannins into subsequent coatings.

Product Code
30806733

Description

Sovereign Stain Blocking Primer is water-based acrylic coating used to mask unsightly stains and prevent bleeding of wood tannins into subsequent coatings.

Form Supplied: Liquid, ready to use

Pack Sizes: 2.5 Litres

Colour Range: White

Contains: Acrylic resin and additives.

Properties

Sovereign Stain Blocking Primer can be used on timber, concrete, plaster, brick and glossy surfaces. When cured the primer seals stains within its film and is suitable for sealing wood tannins e.g. cedar, asphalt, bitumen, creosote, graffiti and rust. Can also be used as a general purpose primer.

Sovereign Stain Blocking Primer

Technical
Data Sheet **268**

USAGE/PREPARATION

Ensure surfaces are dry sound and free of dust before painting.

Sovereign Stain Blocking Primer can be applied by brush, roller or spray. A maximum of 5% water may be added to thin down if necessary.

APPLICATION

Do not apply to external surfaces in damp conditions or where rain is likely. The air temperature must be above 5°C and rising during application.

Some heavy stains may require a second coat; users must test this on site to determine if this is necessary.

GENERAL

At 20°C the primer will be touch dry in around 45 minutes and be ready for a second coat where necessary in 1½ hours. When applying other coatings over the primer it is important to allow at least 24 hours for the primer to cure to ensure that stains are fully sealed. Low temperatures and high humidity will extend the drying and curing times

CLEAN UP

Clean equipment with water before the product dries.

COVERAGE

6 – 8 m² per litre, depending on porosity of substrate.

VOC CONTAIN

EU limit value for this product (cat A/g): 30 g/l (2010).
This product contains max 30 g/l VOC.

Storage: Between 5°C - 30°C.

Shelf Life: 12 months unopened.

HEALTH & SAFETY

- ! Avoid skin and eye contact.
- ! Handle only when wearing protective clothing.
- ! Wash splashes from skin with soap and water, flush eyes with copious amounts of water and seek medical attention if irritation persists.
