# Sovereign SovGard Surface Sanitiser Spray

Fast acting protection against viral  
and bacterial contamination

**Product Code**  
**30618133**

### Description

Alcohol based sanitisers have been found to be effective at combating many types of bacteria and viruses including influenza A, Rhinovirus and certain strains of coronavirus.

SovGard Surface Sanitiser Spray is a specially formulated alcohol based cleaner perfect for industrial or commercial operations. Supplied in conveniently sized, portable aerosol cans the product can quickly be applied across large areas. Fast drying and with no odour, this product can be used to disinfect rooms without causing major disturbances to normal usage or introducing strong, unpleasant smells.

Contains:	Aqua, Alcohol

# Sovereign SovGard Surface Sanitiser Spray

Technical  
Data Sheet **363**

## PREPARATION/USAGE

For external use only. Use Biocides safely. Always read the label and information before use.

1. Use in a well-ventilated area.
2. SovGard Surface Sanitiser Spray is suitable for use on a wide variety of surfaces, but always test on a small, concealed area before proceeding to clean the whole surface. The test area should be examined after 24 hours to safeguard against any unwanted changes of appearance.
3. Shake well before use.
4. Hold the aerosol can 20-30cm away from the surface to be sprayed, at a 90-degree angle.
5. Apply an even coating of sanitiser across a clean surface.
6. Wipe the surface down to remove any excess sanitiser.
7. The sanitiser will evaporate naturally in around 5 minutes if left on a surface.

NOTE: The sanitiser contains a percentage of water, so should not be used on electrical items.

## COVERAGE

Up to 14m<sup>2</sup>

**Storage:** Between 5°C – 25°C out of direct sunlight. Protect from extreme weather temperatures.

**Shelf Life:** Stored under the correct conditions and unopened the product will have a shelf life of 12 months.

## HEALTH & SAFETY

- ! Flammable liquid and vapour.
- ! Causes serious eye irritation.
- ! Keep out of reach of children.
- ! Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- ! IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice.
